PREZ SEZ

Its almost spring again and time to start charting and copying cemeteries. We will be going back to some of the cemeteries that have been copied and chart the position of the stones on graft paper. This will make it easier for people to find their families and put family groups together.

The marriage book committee is progressing nicely on the next book. It should be ready for publishing this summer.

Our membership as of March 30 is 59 with 28 living in Jones and Linn Counties. There are 10 people enrolled in family memberships.

Do you know anyone who has a collection fo newspaper clippings (obits, marriage notices, and birth notices) pertaining to this area? If you do, try to get copies to put in the Resource Center.

Don't forget the April meeting will be at the Senior Center on N. Ford Street,

we're hanging names on our family trees
of Grandpas and Grandmas that used to be
For without those dear ones of long ago
we each are people you wouldn't know
we need people from Jones and Linn
For some new projects to begin
People who will make a showing
And help to keep the society going

Florence Michels.

Got any old books? Would you like to clean out the excess in your library? To build our Society's library we are asking you to donate to us any books that you have purchased and no longer have use for. This includes family histories, county and state histories, passenger lists, and any other book you think someone else would like to read. These will be placed in the resource center and will not be allowed to be taken out.

Death of L. B. Peck, 5 Dec 1895 (Lutner Berton Peck)
 That long time and popular citizen of Anamosa, Iowa, L. B. Peck native of Susquehanna County, Pennsylvania. Was born 20 February 1837. His earlier years were spent on a farm. He graduated from the business college at Binghamton, New York, became a school teacher and had charge of a number of schools in Susquehanna county. In 1861 he came to Iowa and lived at Marion, where he was employed by his uncle, Henry Welch, a wealthy farmer. Three years later he removed to Anamosa and became a dealer in general merchandise, which avocation he followed until 1873. During President Cleveland's first administration he was railway postal clerk between Anamosa and Clinton, and filled the offices of city assessor and city clerk a number of terms. In 1867 he was married to Miss Annie Gray, who survives him. Five children were born to this union; Henry L, foreman of the Cascade Pioneer newspaper; John who lives in Calnan, Colo., Mrs D. W. (Bertha) Ellis; Cyrus and Stella of Anamosa. The funeral was held at the family residence, Rev Heald of the Methodist society officiated.

FROM THE EDITOR

HELP!!! I need pedigree charts, obits of Jones Co. residents, marriage notices, news items pertaining to Jones Co., bible records, and anything else you may think others would like to read.

Also, I have been considering printing short family histories in the newsletter. If you would like to see these printed send yours in. Include the name of the settler, his wife, birthdates and parents of both, marriage date, children and their spouses, death dates, occupation, place of residence, year of settlement, and any special achievements. Preferably in story form so I can type them verbatim or copy from typed manuscript.

If you have any comments, good or bad, about the newsletter I want to hear from you. So far I have been guessing what you want.

Schuyler C. Brossman, P.O. Box 43, Rehersburg, PA 19560, writes a column titled "Our Keystone Families" that is published in the Middletown PA press and Journal. All queries must have a Pennsylvania connection. Mr. Brossman seems to have news and notes on just about everything that is happening in the genealogy world concerning his part of the country. Its well worth a subscription to the newspaper (weekly) just to get the column if you'r working in Penn.
